

ANG KALAGAYAN NI JUAN

Paano po mag-apply ng **ELECTRIC SERVICE CONNECTION** para magka-kuryente kami?

(Act 1)

1

2

Ang mga sumusunod po ay ilan sa mga requirements ng **BENECO** sa pag-apply ng **Electric Service Connection: Certificate of Final Electrical Inspection (CFEI), Certification from BENECO Accredited Electrical Practitioner, Electrical Plan** and/or **Electrical Layout, Location Sketch.**

Hindi po nire-require ng BENECO ang Building Permit o Occupancy Permit. Ito ay mga requirement ng City/Municipal Building Officials/Engineers para makapag-bigay sila ng CFEI.

Mahhirapan pala akong maka-apply ng Electric Service Connection nito. Wala kasi akong Building Permit o Occupancy Permit. Hindi ako makakakuha ng CFEI. Mabuti pa ay i-process ko na Building Permit ko or magkaroon sana ng "Amnesty".

3

Pre, pwede bang maki-kabit na lang sa kuryente mo? Hindi ako maka-apply ng sarili kong electric service connection.

4

Ok lang, basta magbigay ka ng pambayad para sa konsumo mo.

5

Ha! Anong **FLYING CONNECTION?** Paano naman naging ilegal?

6

SIR, naka-"FLYING CONNECTION" po kayo, ilegal po yan.

Para sa karagdagang kaalaman tungkol sa **FLYING connection**, pakibasa ang nasa likod ng pahinang ito.

7

BENECO ADVISORY

REPUBLIC ACT No. 7832

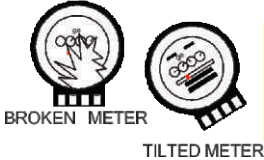

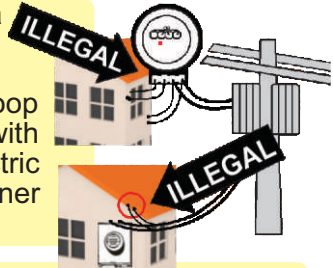

Anti-Pilferage of Electricity and Theft of Electric Transmission Lines/Materials Act of 1994

ILLEGAL USE OF ELECTRICITY

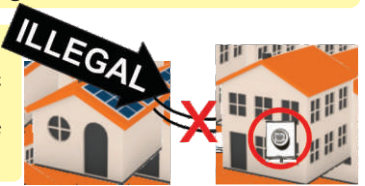

UNAUTHORIZED TAP, make or cause to be made any connection with overhead lines, service drops, or other electric service wires.

TAMPER, install or use a tampered electricity meter, jumper, current reversing transformer, shorting or shunting wire, loop connection or any other device which interferes with the proper or accurate registry or metering of electric current or otherwise results in its diversion in a manner whereby electricity is stolen or wasted.

DAMAGE or DESTROY an electricity meter, equipment, wire or conduit or allow any of them to be so damaged or destroyed as to interfere with the proper or accurate metering of electric current.

UNAUTHORIZED TAP, make or cause to be made any connection to the existing electric service facilities of any duly registered consumer... considered as **"FLYING CONNECTION"**.

Resolution No. 06, Series of 2011 entitled **"A Resolution Adopting the Amendments to the Rules and Regulations Implementing Republic Act No. 7832"**

"Section 11. No customer shall be allowed to provide electricity to premises other than those covered under the customer's service contract with the DU. Subject to a notice, this may be a ground for disconnection of electric service. The customer may also be assessed a surcharge for such violation."

PHILIPPINE ELECTRICAL CODE

"Article 2.30.1.2. Number of Services. A building or other structure served shall be **SUPPLIED BY ONLY ONE SERVICE** xxx.
