ENGR. MELCHOR LICOBEN

General Manager
Benguet Electric Cooperative, Inc. (BENECO)
No. 4 South Drive,
Baguio City 2600 Benguet

Dear **Engr. Licoben**:

This refers to the revised submission of the BENECO's 2025-2034 Distribution Development Plan (DDP) and Power Supply Procurement Plan (PSPP) endorsed by the National Electrification Administration (NEA) to the Department of Energy (DOE).

Having reviewed BENECO's 2025-2034 DDP and PSPP for its grid areas, we confirm that the submission was in order.

In this regard, BENECO is advised to post the above mentioned 2025-2034 PSPP narrative report, attached herewith as *Annexes A and B*, in its website **within fifteen (15) working days upon receipt of this letter** for the same to be considered as the final and accepted BENECO 2025-2034 PSPP. Please note that non-compliance will void the acceptance of BENECO's 2025-2034 PSPP and reversal of the matter will require another acceptance, including its justification, from the DOE.

Further, BENECO shall submit to the DOE, through doe.ddpsubmissions@gmail.com, a proof of compliance of the posting of the said PSPP narrative report.

For any further clarification, you may communicate with Engr. Louise Dan A. Figuracion of the Power Planning and Development Division, who may be reached at email address doe.ddpsubmissions@gmail.com.

Please be guided accordingly.

Thank you.

Very truly yours,
